International Marimba Seminars and Events 2017  
30th June – 2nd July 2017 in Nuremberg  
with internationally renowned soloists and professors

Conrado Moya - Spain, Filip Mercep - Croatia  
und Fumito Nunoya - Detmold / Germany

This master class aims at all enthusiastic marimba players who can show advanced skills through a wide spectrum of marimba pieces in their repertoire.  
Within one intensive weekend, various aspects of marimba technique and musical principles will be developed with the help of the marimba literature which has been prepared by the participants.

The seminars contain the following aspects:

Creative exercises, and hour of general techniques in the group, warm-up with the instrument, interpretation of the prepared repertoires, professional stage presence, focussing – the time before a performance, preparation of a planned concert a detailed review of the concert, final corrections and further tips.
